U.S.A vs. Jerimiah Collins

Docket No.05-20107-001-D

Defendant Collins was discharged from the Alcohol and Chemical Abuse Rehab Center, Inc. on December 6, 2005, for noncompliance. **The above is in violation of his condition of release that he participate in a program of inpatient or outpatient substance abuse testing, education, or treatment if deemed advisable by Pretrial Services.**

As previously reported, on October 27, 2005, the defendant submitted a urine specimen that was positive for marijuana. On October 14, 2005, Mr. Collins signed a voluntary admission of illegal drug use indicating that he used marijuana on or about September 30, 2005. The defendant previously tested positive for marijuana on a urinalysis test conducted May 9, 2005. However that positive test result could be attributed to use prior to being placed on pretrial supervision. All of the defendant's positive test results were confirmed by Kroll Laboratories. **The above is in violation of the defendant's condition of release that he refrain from any use or unlawful possession of a narcotic drug or other controlled substance.** On August 6, 2005, Defendant Collins was charged with Driving While License S/R/C (booking # 05639328) by the Memphis Police Department. Mr. Collins was previously charged with Driving While License S/R/C (booking# 05622465) on May 9, 2005. On November 23, 2005, bench warrants were issued for the defendant in the above cases and they have been re-set to May 23, 2006. **The above is in violation of Mr. Collins' condition of release that he not commit any offense in violation of federal, state or local law while on release in this case.**
